

Finding a match was never this easy! We have talking about the dating and friendship app Quack Quack where people are finding their matches who match their interests.

Quack Quack & Us: Match Made In Heaven

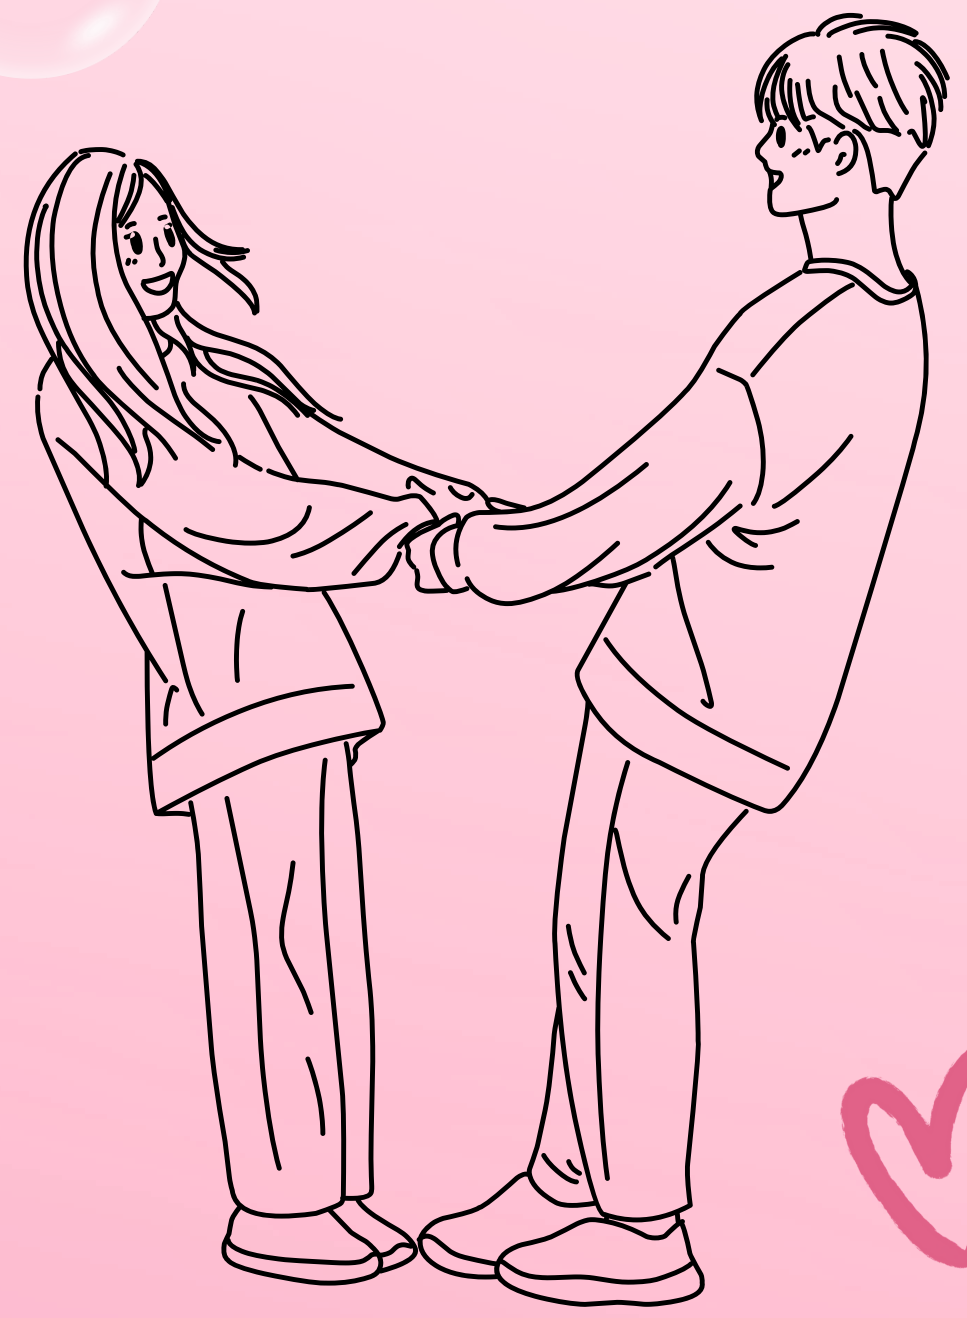

The brief was simple, **chahe kuchh bhi ho, "Match toh hoga hi"**. The brand wanted to convey the easy-ness and swiftness of making a match with which people connect with each other.

Before you even finish the tea, the match is right in front of you! Even in the situation as unexpected as rains that cancels the cricket match, you are bound to catch **YOUR** match.

Strategizing The Play!

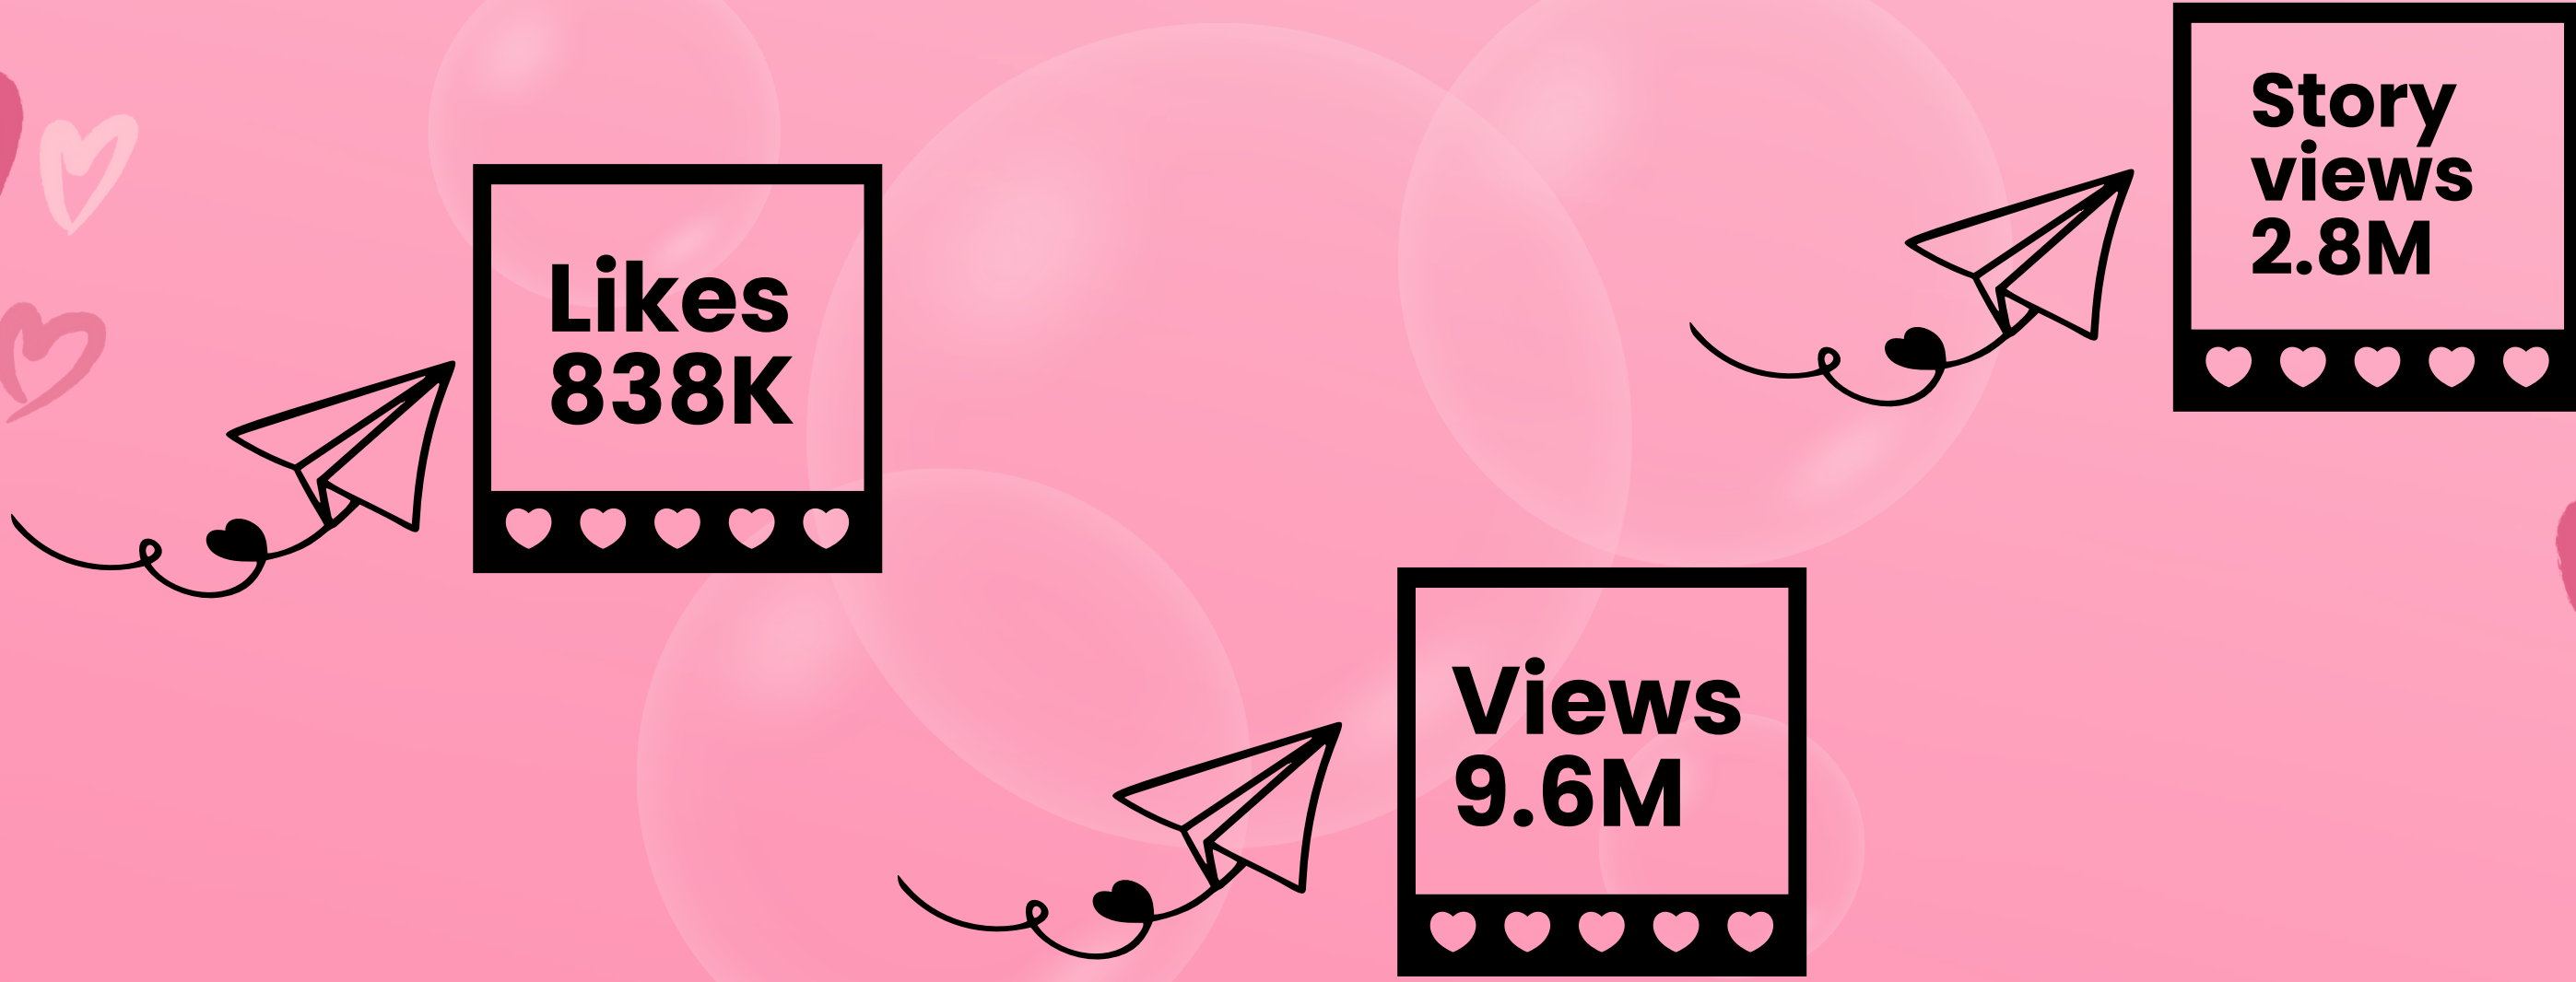

As much determined the client was, we were ready to hit a six with our strategy. The idea was simple,

- Matches made swift, even before you finished your tea.
- Matches made easy and within your comfort zone.
- Matches perfectly synchronized to your own interests.

Did We Hit The Six?

The stats say that all...
